Hi Mike

Thanks for letting me know. I edited in the online version, and the top bar said my changes were saved. I'll try to go in and see whether they took. I'm in a meeting, so no guarantees. . . .

Thanks, Chuck — I don't see your edits in the Sharepoint version. Do you have them on a separate doc?

Thanks Mike.

This has shaped up very nicely. I just made a few non-substantive edits, and am ready to concur.

Subject: U&O FIP: revised draft letter to Ute Tribe

Thanks to everyone who has reviewed and commented on the draft letter to the Ute Tribe. I think the edits have greatly improved it; I accepted almost all of them. I've

cleaned up the copy on Sharepoint if you'd like to look at the latest version. I've flagged a couple of items with comments that you may want to consider further. And I know that there are a few of you who haven't had the chance to review it at all yet, so if you have the chance early tomorrow that would be greatly appreciated. I understand that we would like to get it into concurrence for signature sometime tomorrow. Thanks again for your help. The document link is
